“Create an aesthetic, modern, and engaging website for my clothing & accessories brand AuraWear.

Requirements:

Style: Minimal, aesthetic, with neutral/pastel tones and smooth animations.

Homepage: Hero section with brand name/logo AuraWear and tagline ‘Express Your Style, Everywhere.’

Sections: Separate stylish

compartments for Bikinis, Shirts, Pants, Hoodies, Bags, Mugs, and Accessories. Each section should have product visuals and a clear button/link that redirects users to my Shopify and Etsy shop for purchase.

Navigation bar: Home, Categories, About, Contact.

About Us: Short, minimal, and aesthetic brand story.

Footer: Shopify/Etsy links + social media icons.

Optimization: Mobile-friendly, fast-loading, and highly engaging design with interactive feel.”

## AuraWear Clothing Brand Website - Plan

Information Gathered

I'll create a modern, minimalist e-commerce website for AuraWear clothing brand with the required features. The design will feature:

Neutral/pastel color palette with  
Shadcn UI components

Responsive layout for all device sizes

Interactive elements with smooth  
animations

Dedicated sections for all product

categories

Clean navigation and footer with social links

Plan

Create a single responsive React component with multiple sections

Use Tailwind CSS with Shadcn UI color tokens for consistent styling

Implement a fixed navigation bar with smooth scrolling

Create an eye-catching hero section with the brand name and tagline

Design product category sections with placeholder images and CTA buttons

Add a minimalist About Us section with brand story

Include a footer with Shopify/Etsy links and social media icons

Ensure all images have descriptive alt

text and proper sizing

Implementation
